

CEER Notes
April 13, 2018

Members Present: Jennifer Harper, Sandra Ammons, Carmen Madden, Shairon Zingsheim

(1) Safety Plans

- General discussion about the safety master plan. Questions about where more detailed information can be found on the EPC (Emergency Preparation Committee), emergency operations guidelines and other protocols.
- General discussion of the Red Crisis Folder, Student Conduct Policy and Faculty Handbook. Suggestion to have Carmen and the Health Center remind faculty of policies at Fixed Flex in Fall 2018.
- There appears to be a need for a clear process in handling students in crisis. It would also be helpful to help train faculty on discipline procedures related to classroom management.
- CEER members agree it is time to formalize the Crisis Team to a Behavior Intervention Team. The team currently includes the Chief of Police, Dean of Counseling, VPSS, DSPS Director, Health Center Director and Personal Counselor. All will be invited to discuss moving forward with a BIT team at the next CEER meeting.

Next Meeting – Thursday, May 10th, 2018, 10:30 am-12:00 pm in Room 7102
