The March 2017 Executive Committee meeting was canceled since there was no agenda item that required an in-person meeting.

Heather emailed all faculty about a UFO get together at Mission pizza on March 15 from 4 to 7 pm. The event was well attended.

On March 14, Susan sent emails to the full-time and part-time faculty on behalf of the UFO Negotiations Team asking for their input as to what they would like to see happen in the next round of contract negotiations. Faculty were asked to fill out online surveymonkey.com surveys.

On March 10, Rob shared via email attorney Bezemek's proposed retainer agreement with the UFO Executive Committee. There being no substantial comments, via email on March 27 Heather made a motion that we request they fix "federation" (an incorrect reference to the UFO) and that we approve Rob signing the retainer; the motion was unanimously approved via email ballot. Rob reported via email on March 28 that the word "federation" was changed and he will sign the retainer.

Respectfully submitted,

Ralph Ballart, UFO Secretary
